### COURSE DESCRIPTION

#### LAW ENFORCEMENT RANGEMASTER

Many Rangemaster courses tend to only be continuing education firearms instructor and/or shooting courses neglecting many of the skills necessary to manage a contemporary law enforcement firearms training program. The SPS/HGTG Law Enforcement Rangemaster Course is drawn from the experience of over 30 years in firearms instruction and program management. LERM will prepare the Firearms Instructor to manage both a firearms training facility and an agency training program. This course will include:

- program management
- statistics tracking for success
- range development
- range management
- environmental concerns
- developing training budgets
- advanced live-fire training

Participants will develop a plan for management of their range facility during the course.
